PROFESSIONAL • FOCUSED • COLLABORATIVE

- **Oracle Certified Expert**
- **IT Operations & Service Delivery Excellence**
- **Core Banking & Telecom Migration Leadership**
- **Ex Operation Head, ICT Division, BASIC Bank Limited | Bangladesh**
- **Ex Technical Lead – DBA Team, Wipro | Bangladesh | Telenor - GrameenPhone Account**

PROFILE SUMMARY

Seasoned **IT Operations Head and Migration Specialist** with 18+ years of experience delivering **mission-critical** system and database platforms across **Banking and Telecom** environments. Proven expertise in leading **Core Banking System (CBS) migrations (including Temenos, Kastle, Ababil NG)** and managing **large-scale telecom databases** supporting high-volume, 24×7 operations.

Highly experienced in end-to-end **migration** and modernization programs covering **system architecture, database upgrades, cutover planning, disaster recovery, and post-go-live stabilization**, ensuring **Zero and minimal downtime**, data integrity, and regulatory compliance. Known for driving **IT operations** excellence, leading **cross-functional teams**, managing **vendors**, and consistently meeting strict **SLA, security, and audit requirements** in highly regulated and high-availability environments. Adept at bridging **business and technology** to deliver **scalable, resilient, and secure platforms** for **banking and telecom** organizations.
